Flu Vaccinations To Be Given At Lindsay Schools Thursday

The Lindsay School system is providing voluntary immunizations with FluMist and/or the injectable flu vaccine. The immunizations will be Thursday, November 5, 2009 from 1 p.m. to 6 p.m. in the Lindsay Public School safe room located at the west end of the middle school.

It should be noted, the health department will be able to use the FluMist® vaccine without a parent being present, but there will need to be a parent present for the injectable vaccine. We cannot immunize anyone without the completed consent form. At this time, the health department has indicated they will vaccinate school age children and younger siblings of school age children.

2009 H1N1 influenza (also called Swine Flu) is caused by a new strain of influenza virus. It has spread to many countries.

Like other flu viruses, 2009 H1N1 spreads from person to person through coughing, sneezing, and sometimes through touching objects contaminated with the virus.

Signs of 2009 H1N1 can include: fatigue, fever, sore throat, muscle aches, chills,

coughing and sneezing. Some people also have diarrhea and vomiting. Most people feel better within a week. But some people get pneumonia or other serious illnesses. Some people have to be hospitalized and some die.

Seasonal flu viruses change from year to year, but they are closely related to each other. People who have had flu infections in the past usually have some immunity to seasonal flu viruses (their bodies have built up some ability to fight off the viruses). The 2009 H1N1 flu is a new flu virus. It is very different from seasonal flu viruses. Most people have little or no immunity to 2009 H1N1 flu (their bodies are not prepared to fight off the virus).

Vaccines are available to protect against 2009 H1N1 influenza.

These vaccines are made just like seasonal flu vaccines. They are expected to be as safe and effective as seasonal flu vaccines. They will not prevent influenza-like illnesses caused by other viruses. They will not prevent seasonal flu. You should also get seasonal influenza

vaccine, if you want to be protected against seasonal flu. Inactivated vaccine (vaccine that has killed virus in it) is injected into the muscle, like the annual flu shot.

Groups recommended to receive 2009 H1N1 vaccine first are: pregnant women, people who live with or care for infants younger than 6 months of age, health care and emergency medical personnel, anyone from 6 months through 24 years of age, anyone from 25 through 64 years of age with certain chronic medical conditions or a weakened immune system.

The Federal government is providing this vaccine for receipt on a voluntary basis. However, state law or employers may require vaccination for certain persons.

Get vaccinated as soon as the vaccine is available. Children through 9 years of age should get two doses of vaccine, about a month apart. Older children and adults need only one dose.

Please read Superintendent Brownen's article on page 4 and learn more about the vaccinations.

The Lindsay EMS won the pumpkin carving contest at the Pumpkin Patch in Lindsay. The theme was "witches". The EMS won the contest for the second year in a row.

DHS To Offer Assistance With Heating This Winter

Help with home heating costs will be available across the state this winter through the federal Low-Income Home Energy Assistance Program administered by the Oklahoma Department of Human Services.

The application period for assistance through OKDHS will begin Tuesday, December 1. Applications will be accepted until allocated funding is spent.

Funding for winter heating assistance in Oklahoma is projected to be approximately \$18 million. Last year, OKDHS served more than 100,000 households during the winter heating assistance program.

"Many, but not all households that receive public assistance through OKDHS may be automatically authorized for LIHEAP and will not need to make application. These households will be notified of their eligibility," said Cari Crittenden, OKDHS LIHEAP coordinator. She also encouraged those who are usually pre-approved to make application at their local OKDHS office if they have recently moved or did not receive a pre-approval notice this year.

Most other households that receive some type of

public assistance, such as the Supplemental Nutrition Assistance Program (formerly known as Food Stamps), Temporary Assistance for Needy Families or state supplemental payments to the aged, blind or disabled will be mailed LIHEAP applications

Eligibility for help through LIHEAP is based on household income and assets. Low-income households that do not receive public assistance may also be eligible for home heating assistance.

"It is important that persons

requesting LIHEAP assistance have their household's latest heating bill and income information when applying," Crittenden added.

The maximum income guidelines are: one member of a household \$1,174; two members \$1,579; three members, \$1,984; four members \$2,380; five members \$2,794; six members \$3,200; seven members \$3,605; and eight members \$4,010.

TIMES CHANGES EVERYTHING PART III

Days were pleasantly long in my boyhood days during World War II. There was always time to play, to take naps, and to enjoy time with Collie, my beloved dog. And at the end of the day, there still remained the evening hours before a pleasant night's sleep. Even though we always went to bed early, the evening hours were important in our family. For about two hours after supper, we enjoyed an important family time. Those two hours seemed longer than they do now in our hurried lives.

After my mother finished the supper dishes, she would join the rest of us in the living room and dining room of our farm house. Winter evenings were the best. Our two kerosene lamps would cast a warm glow. The wood heater would warm both rooms as the cold north wind rattled the windows.

The battery radio would play our favorite programs, perhaps "The Bob Burns Show," "Fibber McGee and Molly," or "The Lum and Abner Show." Collie and I would lie on the linoleum floor near the heater. I recall how secure I felt as I dozed beside my dog.

Every night at about 7:30, my mother would carry one of the kerosene lamps to our large oak library table to write her nightly letter to my brother, Jim. No matter how hard she had worked all day, she always had time to write to Jim. I still have the small blue writing folder that held her v-mail stationery. The v-mail stationery was designed to conserve weight and space as it was shipped to far away lands where our troops were

fighting in the greatest war. A v-mail letter was one sheet of very light paper, much like parchment paper today. On one side was for writing, and the other side was for the address when the sheet was folded for mailing. She would pull up a heavy oak chair and begin her short v-mail letter.

After she finished, Collie and I would write a sentence or two at the bottom of the letter. After I had written, Collie would climb up into the chair and put his paws on the table. I would put the pencil between his toes on his left paw and slowly print COLLIE on the paper. Since I was left-handed, I thought Collie was left-footed. He would watch with interest. I thought he understood that he was writing to Jim. When Jim came home, he told us how important those letters were as he flew through the dangerous skies over Europe. Before we would go to bed, Collie and I would listen as my mother said a long prayer asking God to protect Jim and bring him safely home. Even though we never stayed up late, there was always time for the letters and the prayers before bedtime, generally before 9:00 p.m.

On cold winter nights, I would lie in bed in the unheated bedroom, buried in the soft feather bed, on a fluffy feather pillow, under a pile of hand-made quilts, and think back over the day. It would seem so long since I had awakened at 6 a.m. I would go to sleep recounting the events of the day. I would wonder if Collie was remembering his day too. My mother would not let him sleep by my bed. He had his own bed in the corner of our screened-in back porch. I knew

he was sleeping comfortably in his bed of an old quilt, warmed by his long, soft hair.

After a long day, I always slept soundly through a long night. In those innocent times, I never woke up at night sleepless and worried about the day to come. The long days and long nights flowed endlessly into each other. It seemed that time almost stood still. Now the days seem to speed by, fragmented and hectic. I frequently think of a line from a poem by Andrew Marvell: "But at my back I always hear time's winged chariot hurrying near." But, once upon a time, it was different, in the days of my youth.

Brother Ty has traveled to many states in the U.S. helping with revivals, gospel meetings and singing instructions. In 1997, he was privileged to take a trip to Nigeria to assist with the work in that nation, returning again in 2004 and 2007. Brother Fleming has also preached in Belfast, Ireland.

Brother Ty has been married to his lovely wife Lisa since January, 1983. He now serves as an Elder of the College Park Church of Christ since January, 2008 while still involving himself in evangelistic efforts in various areas.

Ty and Lisa have also been blessed with four beautiful daughters, a son-in law, and two grandchildren.

Everyone is invited to attend the Gospel Meeting at Murray Hill Church of Christ in Lindsay.

Flu Vaccination Clinic To Be Held Saturday

The Garvin County Health Department announced today that it will hold an H1N1 vaccination clinic Saturday, Nov. 7th from 8:00 to 12:00 at the Pauls Valley clinic, 1809 S. Chickasaw. The clinics will be limited to Oklahoma residents who are in one of five priority groups.

Priority groups for the H1N1 vaccine include:

- All children ages six months to 18 years.
- Pregnant women.
- Custodial parents of infants less than six months of age.
- Front-line health care workers who have direct patient contact with acutely ill persons.
- Adults 19 – 64 years of age with chronic disease.

"The H1N1 flu virus continues to affect people in our community," said Garvin County Health Department Administrative

Director Mike Milton. "We know that the people in these priority groups are at greater risk and we hope to reach as many of them as vaccine supplies allow on Saturday."

People seeking vaccinations will be screened to ensure that they meet the priority group definition for H1N1 vaccine. People not included in one of the priority groups or who are unable to attend Saturday's clinic are encouraged to be patient, as new vaccine shipments arrive in Oklahoma each week.

The Oklahoma State Department of Health is projected to receive H1N1 vaccine in weekly shipments through early January 2010. The doses include both nasal spray and injectable vaccines.

For more information, call the Garvin County Health Department at 405-238-7346.

Erin Springs OHCE Group Holds Monthly Meeting

The Oklahoma Home and Community Education, Inc., Erin Springs Group met October 13 in the home of Mary Robertson.

The meeting was called to order by president Becky Fentem. Sue Duncan began the meeting by leading the flag salute. The group creed was led by Audra Dennis and Mary Robertson led the group singing "Singing in the Rain", (which was appropriate for the day since it had been raining). Mary gave the devotional out of Joel Osteen's book, Scripture and Meditation for Your Best Life Now, entitle, "Stop Limiting God".

The roll call was answered with the response to sharing a favorite household tip. Audra Dennis gave the secretary's report and Mary Robertson gave the treasurer's report. Erna Tannehill read the thought for the day, "A house is made of walls and beams; a home is built with love and dreams." Julia Murray read the tips and bits, "Plastic milk jugs can be used as lightweight paint buckets. Cut a hole for the paint brush.

Cemetery and Cookbook committee reports were given. The Cookbook committee is purchasing another box of cookbooks. Anyone interested in buying a cookbook for Christmas gifts, birthday presents, bridal gifts, or just because gifts is asked to contact a member of the group. The books sell for \$15.

Reports were given on the OHCE Garvin County Fall Council Meeting, held at the Nora Sparks Warren Library in Pauls Valley, September 17. Becky Fentem's sister-in-law, Sandy Badgett, spoke in the afternoon session of the meeting.

The monthly birthday party was held at the Lindsay Manor, September 24. There were five residents celebrating birthdays for the month of September: Lewis Tannehill, September 5;

Edith Wooster, September 11; Christine Lawrence, September 20; Mary Hopkins, September 24; and Ruby Dewbre, September 25.

Julia Murray presented the Leader's Lesson entitle "Duct Tape, Bailing Wire, and W-D 40: Ingenious Uses for Everyday Products." The lesson dealt with alternative cleaning ideas and household tips. Bailing wire, Duct Tape, and WD-40 have stood the test of time for the American handyman or woman for decades! Bailing in wire is not so easy to find, but old timers can tell you that bailing wire is essential for repairs that last.

Did you know that you can temporarily hem your jeans with duct tape? Or replace a shower curtain grommet? How about making a prom dress out of duct tape or a purse or wallet? (A prom dress made of duct tape was on display at the Oklahoma State Fair).

Did you know that WD-40 was developed in 1953 by a company trying to create a line of water displacemnt, rust-prevention solvents and degreasers and on the 40th attempt the displacing formula worked out? Thus the name WD-40, Water Displacemnt perfected on the 40th try, came to be! Some uses mentioned were WD-40 helps dissolved bug splats from the finish of a vehicle, removes road tar and grime from cars, removes stains from stainless steel sinks, and much more.

Quote worth quoting, "One only needs two tools in life: WD-40 to make things go and duct tape to make them stop." G. Weilacher.

Delicious refreshments were served by the hostess to Audra Dennis, Sue Duncan, Becky Fentem, Oleda Flud, Julia Murray, and Erna Tannehill.

Meeting was adjourned and they will meet again Wednesday, November 11 at 1:30 in the home of Julia Murray.

THANK YOU

The Lindsay United Methodist Youth would like to say thank you to all who made this year's Pumpkin Patch a success. Special thanks goes out to the Lindsay News, Shopper, and the City of Lindsay Electric Company. We realize it would not be possible without your support.

Congratulations goes out to Lindsay EMS for being the '09 Champion, two years running of the Annual Pumpkin Carving Contest put on by the Patch. The category was "Witches", and their rendition was "Spooktacular" this year to take first place in the competition.

Again, thanks to all who visited the Pumpkin Patch and we hope to see you again next Fall!

Dear Parent/Guardian:

As you are well aware, flu season has arrived. This year we are helping to prevent the further spread of the 2009 H1N1 and seasonal flu by providing voluntary immunizations with FluMist® and/or the injectable flu vaccine. Keeping students and teachers healthy and in school is important for their education. Avoiding missed days of school means avoiding missed lessons.

We have had children sick with the flu for a week or more. Additionally, flu in children can be serious and can cause: fever, headache, extreme fatigue, and body aches. Children with underlying health conditions such as asthma or diabetes may become ill enough to require hospitalization. Children are often the main source of flu infection for everyone else, spreading the flu to other classmates, family members, and the community.

According to the Garvin County Health Department, the single best way to help prevent the spread of the 2009 H1N1 and seasonal flu is to get a flu vaccination each year. As a result, we will be implementing a school vaccination program for the Lindsay Public School students on Thursday, November 5, 2009 from 1:00 P.M.-6:00 P.M. in the Lindsay Public School safe room located at the west end of the middle school.

To give your consent to have your child vaccinated with the FluMist® and/or injectable flu vaccine, please read the material that was recently sent home with your child and return the consent form to your child's school by Wednesday, November 4, 2009. It should be noted, the health department will be able to use the FluMist® vaccine without a parent being present, but there will need to be a parent present for the injectable vaccine. We cannot immunize anyone without the completed consent form. At this time, the health department has indicated they will vaccinate school age children and younger siblings of school age children.

We encourage you to contact your child's healthcare provider if you have additional questions about the flu vaccine or contact the **H1N1 Hot Line at 1-866-278-7134.**

Thank you for allowing us to help keep your child healthy this school year.

Sincerely,
Richard Brownen

Lindsay Leopard Football

Lindsay travelled to Comanche to play the Indians Friday night. The Indians were fighting to stay in the play-off hunt and would give the Leopards all they wanted.

The first half was a defensive battle with Comanche scoring their first touchdown of the game on a 16 yard pass with just 2:17 remaining in the first half. The extra point was no good. The Leopards would answer when Scott Hacker connected with Stephon Bradley on a 63 yard pass with 1:49 remaining in the half. Josiah Harrison missed the extra point and the score at half ended with both teams knotted up at 6-6.

The second half would be an emotional roller coaster for both teams. Comanche would come out of halftime very inspired and score on their first series of the half on an 18 pass for the touchdown. They would make the extra point and led Lindsay 13-6 early in the second half. The Leopards would answer on their second drive of the half when Scott Hacker scored on a 1 yard touchdown run after starting the drive on the 22 yard line of Comanche. The extra point was missed and the Leopards trailed 13-12.

On their next series the Indians were driving down the field when Carson Tate tackled the Comanche running back and injured his back. Carson left the field in an ambulance and later Medi-Flighted to Oklahoma City where he was later released.

The Indians took advantage on the delay and drove the ball down the field. Comanche appeared to have scored on a 21 yard pass but instead fumbled the ball into the end zone and out the side for a touchback and the Leopards received a big break. The Leopards couldn't capitalize on the turnover and turned the ball back over to Comanche on an interception.

The Indians were driving for another touchdown when Aaron Smith intercepted a Comanche pass and ran it back for 77 yards to the Indian 2 yard line. From there

Scott Hacker would run it in for the Leopard's first lead of the night. The Leopards converted the 2 point attempt and led 20-13.

Comanche wouldn't give up and had 2 drives deep in Leopard territory only to have them stopped on interceptions by Josiah Harrison and Zack Ernst.

The Leopards would come away with an emotional victory 20-13 and would lock up second place in District 2A-3.

Leading rusher for Lindsay was John Pinnick with 20 yards on 8 carries. Scott Hacker would throw 10 completions on 26 attempts for 160 yards and 1 touchdown. The leading receiver would be Stephon Bradley with 1 catch for 63 yards and 1 touchdown.

Other Leopards with carries were Aaron Smith with 6 yards on 2 carries, Kris Milligan with 3 yards on 2 carries, Stephon Bradley with 2 yards on 5 carries, Zach Bustillos with 1 carry for 0 yards and Scott Hacker with -9 yards on 10 carries and 2 touchdowns. Other Leopards with receptions were Carson Tate with 49 yards on 5 catches, Aaron Smith with 30 yards on 2 catches, and Kris Milligan and Jake Bowen with 9 yards on 1 catch each.

Leading the defense in tackles were Carson Tate, John Pinnick and Zack Ernst with 11 tackles each. Following them in tackles was Kris Milligan with 10 tackles, Aaron Smith with 8 tackles, John Holliman with 7 tackles, Mason Blake with 6 tackles, Chris Larrauri with 5 tackles, Jake Bowen and Josiah Harrison with 4 tackles, Stephon Bradley and Dakota Mills with 3 tackles, and Ethan Griffith and Zack Bustillos with 1 tackle. Zach Ernst, Josiah Harrison and Aaron Smith each had 1 interception.

The Leopards will be at home Friday night to take on the Riverside Braves for Senior Night. Come out and support the Leopard on Senior Night.

Turn off the highway and let's go down the Wallville Road. Wallville, U.S.A., north of Rush Creek and east and south of the Washita. A place where mankind and the animal kingdom dwell side by side. I would say peaceably, but then you think of that fighting rooster, Earl and Lois Brown had over at their place which sent you running for cover. Those dogs that stood guard at Johnny Jensen place did evermore put the fear in you and that wild mare chased Pete Turner and her sister nicknamed "Sharp" across the pasture and only sliding under a barbed wire fence saved their hides. But as a rule the folks around Wallville and this side of Rush Creek communed well with our animal friends. For instance that evening Ed Kay and his wife Vicki, out for their evening walk came upon a 5 foot rattlesnake curled up right in their path. Now, Ed, the sensible man that he is prepared to kill the thing. But, wife Vicki would have no part of that and insisted they take it home with them. Well, Ed didn't care for the idea, but you know what they say, "Pa is boss, as everyone knows, but what Ma says always goes, so I'll just leave that there. It just

goes to show you Mrs. Kay is an animal lover. At their home north of the Rush Creek at night several cats would gather under the Kays carport and Mrs. Kay the kind soul she is took to feeding them under the lights of the carport. She was going through her nightly ritual when husband Ed came up and took her by the arm and led her back to the house saying "What are you doing?" "Feeding the cats, you know that." Well, Mrs. Kay doesn't have the best eyesight and at night it's worse and big Ed said, "Okay, but that one is a skunk." And so it goes down the Wallville Road.

Greetings to all our friends near and far from the Owl Man and the Wallville Sage. Legend #882.

Our thoughts are with Bill and Ophelia (Newberry) O'Neal at the loss to their daughter Tina nation (47). Her memorial service was Friday, October 30, 2009.

The holidays came early at the Hunt household October 27, 2009. Joe Hunt, Sierra, McKenzie Rae, and Kandace, Bill Donaho, Aaron Hunt, Clifford Dean White and family, all worked to get the

Al Hunt household winterized. Carrie Donaho, Matt and Kristi and sweetheart Anna Grace also showed up during the week. Ain't God good.

High regards from the cold and barren Yukon, the Lindsay News is now going to Chicago every week or so. Bob's brother, Billy lives there and really enjoys the Lindsay News and Mr. Hunt and Mr. Nye's articles and others. He grew up in Lindsay also and retired from the railroad in Chicago some years ago. Thanks for listening. We love your column and the Lindsay News. Sincerely Mary and Bob Mosley.

Winner of the roses, Cecil and Doris Henderson, 54 years this November 10. Making happy tracks as they go. Good folks.

The Wallville Church had visits from Carl and Angie Pelfrey and daughter Chloe and Jennifer Kay and children, Wednesday, October 29, 2009.

A great lady, my cousin and adopted big sister, Miss Bertie Mayhan, passed away November 2, 2009 at the Pauls Valley Hospital. More next week.

On down anniversary road, congratulations are in order for Leroy and Reba Chandler, celebrating 53 years of the good life this November 5.

Chalking up 29 years under an anniversary moon are Stanley and Rebecca Hunt this November 7. Stanley was raised down Wallville Road.

Hughes grad Richard McClain and his wife Sue celebrate anniversary #45 this November 6. Richard is a Wallville legend.

Once again November 10, Joe and Kandace Hunt celebrate anniversary #9. With 2 of the sweetest children you can find.

Josh and Melissa Hunt, former Wallvilleites, replanted to Prague, OK celebrate anniversary #4 this November 11.

Following the birthday trail we find McKenzie Rae Hunt parties on November 6, Margie Wilson's birthday is the 7, Hughes grad Julia "Spann" Henson and Mark Dree's share the 8, Antioch legend Barbara Jensen, Martha Auld, and Ricky High share the 9. Mrs. Ann Pratt celebrate on the 10, and Ronnie Blankenship and Cammie Turner party all night

long on the 11. Have a good one folks.

The Wallville Veteran's Committee salutes CW05 Wesley Jones. He served in Iraq from September 2008 to May 2009. While in Iraq he was awarded the Bronze Star Medla for exceptional service as the Aviation Maintenance officer-another job well done.

The Bertie Mayhan report-Miss Mayhan is in serious condition at Pauls Valley General Hospital. She has been receiving the best of care and enough visitors to fill this page. So, wwe won't go there. The familie are in our prayers.

As friends and family stand guard by Miss Bertie Mayhan, a sweetheart of a lady, this is be kind to Bruce and Priscilla Mayhan and Steve and Becky Mayhan, and all the grandchidlren and great grandchildren week. We know what they are going through.

Our sponsor this week has been the Wallville Animal Shelter and Wildlife Preserve.

In closing, let me tell you once an animal lover, always an animal lover. Such was the word we received from the Mosley family this past week. They said,

Dear Mr. Hunt: We have a new addition to our family! Yes, we discovered an opossum has taken up house keeping in our shed. Bob had left a large piece of plastic in one corner and our border collie was so interested in the shed for the first time so I of course, had to have Bob look into the matter. I thought maybe there was a snake, etc. No, just a very large opossum. He comes out on our patio at night and of course we have put goodies out for him. We are saying "he" since we sure can't get close enough to find out the gender. We miss having any wild animals since we had to give up our mountain top place in northwest Arkansas. We had nightly visits from deer, fox, and once a big bear and all the other little creatures in the woods. Hopefully this one will stay the Winter with us at least.

Sincerley, Mary and Bob Mosely For our readers, from down the Wallville Road.

OBITUARY

Bertie Laverne Mayhan 1939-2009

Bertie Laverne Mayhan of Lindsay, OK, passed quietly from this life to her eternal reward early Monday morning, November 2, 2009, with family by her side. She was born to Earl and Lois (Jensen) Brown September 11, 1939 and lived her entire life in the Wallville and Lindsay communities. She married Jim Mayhan October 9, 1959 and to this union two sons were born, Steve and Bruce. Although not always recognized, Mom held what one wise man, her dad, described as the most important job in the world, a stay-at-home mother. Although other jobs may have provided more finances, mom understood the importance of her "work" and was faithful till the job was finished. When a son pens his mother's obituary, he doesn't remember the things bought with money, such as the latest styles in clothing or gadgets, but rather Mom's touch on a fevered brow, her attendance at your school activity, a kiss for a skinned knee, supper on the table when you get home from school, and the peace of mind in knowing you're the most important thing in the world to your mother. Thanks, Mom for a job well done!

She is survived by two sons: Steve and his wife Becky and Bruce and his wife Priscilla of Pauls Valley, OK; stepson Robert and his wife Janie and their children, Blake, Dallas, and Laquana of Ft. Bridger, WY; grandchildren: Bradley Mayhan and his wife Cassaree of Pauls Valley, Stephanie Blankenship and her husband Billy of Stratford, Shelly Mayhan of Moore, Tyler Mayhan and his wife Nicole of Pauls Valley and Zachary Mayhan of Pauls Valley; great grandchildren: Liberty, Makrae and Cheralyn Blankenship, Silas Mayhan, and Brooke Mayhan; brothers: Ray Brown and Arvil Brown of Lindsay; and a very special friend Hazel White of Lindsay. We would be in trouble if we failed to mention she is also survived by her faithful dog Tiny and besides "It won't hurt a thing in the world".

She was preceded in death by her husband, parents, and a great grandson Haden Cole Mayhan.

The family would like to thank Dr. Steve Moore and all the staff at Pauls Valley General Hospital for the excellent care mom received. Also thanks to all the family and friends for sitting with mom around the clock so she was never alone.

Funeral Services will be held at 2 p.m., Thursday, November 5, 2009 at the First Baptist Church in Maysville, Oklahoma. Brother Steve Mayan, Brother Doyle Austin, and Brother Donne Molter will officiate with burial in the Green Hill Cemetery, Lindsay, Oklahoma under the direction of John Williams of Winans Funeral Home, Maysville, OK. Condolences to the family can be sent to
